

Saxon Cross: Stone-Inspired Simplicity at Its Finest The Saxon Cross collection draws inspiration from the natural beauty of Portland stone found in the UK. It features a smooth, consistent surface that delivers a perfectly balanced and understated look. With its uniform patterning, Saxon Cross is ideal for those who appreciate a minimalist, enduring style. Its gentle texture and neutral colour palette allow it to complement any interior design—from traditional spaces to bold, contemporary environments. Highly versatile and effortlessly elegant, this collection is perfect for creating cohesive floors and walls that bring a sense of calm, harmony, and refined sophistication to any setting.
